CITY OF CLARKSBURG

Updates from City Manager, Tiffany Fell

FALL CLEAN-UP STARTS SEPTEMBER 30

The City of Clarksburg is pleased to announce our Annual Residential Fall Clean-Up, a great opportunity for residents to dispose of large and bulky items that are not typically accepted in regular garbage collection. This service is available to Clarksburg residents only, with each household limited to one small truckload of items such as stoves, washers, dryers, hot water tanks, electronics, and other normal household items.

Important Reminders

- **Items must be placed curbside or in the alley by 7AM on your specified pickup day.**
- **Please do not place items out earlier than the evening before your scheduled day.**
- **All small items must be boxed, bagged, or tied, and containers must be of a size that one person can lift into the truck.**
- **Refrigerators, air conditioners, and freezers require proof of professional freon removal.**
- **Vehicle parts, batteries, tires, paint, and demolition materials will not be accepted.**

Please remember, this service is available for Clarksburg residents only. Items brought in from outside the city limits will not be collected as this additional volume increases the costs of disposal for our taxpayers.

The full details on routes and dates for this year's collection are available on the city's website:

cityofclarksburgwv.com

If you have any questions, please contact the Public Works Center at (304) 624-1611 or (304) 624-1612.
