CITY OF CLARKSBURG

Updates from City Manager, Tiffany Fell

Congratulations To All the 2026 Seniors:

As graduation season takes place across our community, we would like to extend our heartfelt congratulations to all of the graduating seniors in our area.

This is an exciting and meaningful milestone that reflects years of hard work, determination, and perseverance. We are incredibly proud of the accomplishments of these students and the bright futures that lie ahead of them.

Graduation is not only a celebration for students, but also for the families, teachers, administrators, and mentors who have supported and encouraged them throughout their journey. Our schools and

communities have worked together to help prepare these young men and women for the next chapter of their lives, and this achievement is something we can all celebrate together.

Whether graduates are continuing their education, entering the workforce, serving in the military, or pursuing other opportunities, we know they will represent our community with pride and determination.

Their success today gives us great

confidence in the future of our city and region. On behalf of the City, congratulations to the Class of 2026. We wish each and every graduate continued success, happiness, and opportunity in the years ahead. Enjoy this special moment, celebrate your achievements, and best of luck in all your future endeavors.
