CITY OF CLARKSBURG

Updates from City Manager, Tiffany Fell

CLARKSBURG SPRING CLEAN-UP

Residents of the City of Clarksburg, get ready to clear out the clutter this spring! The City of Clarksburg is excited to announce its Annual Residential-Only Spring Clean-Up, a city sponsored bulk collection service for items too large and bulky for normal garbage pickup. This includes appliances like stoves, washers, and dryers, as well as electronic equipment such as televisions, microwaves, and computers, among other normal household items. Remember, this service is limited to one small truck load per residence and is ***intended for Clarksburg city residents only.***

The cleanup will take place over three weeks, starting Monday, April 8, and continuing until Friday, April 26. To ensure a smooth collection

process, please adhere to the cleanup rules and restrictions listed on the city website. Notably, refrigerators, air conditioners, and freezers must be properly tagged to confirm freon removal, and certain items like normal household garbage, demolition materials, vehicle parts, and hazardous liquids will not be accepted.

Residents are advised to place their items at the curb or in the alley by 7:00 a.m. on their designated day, but not earlier than the evening before. All items must be properly prepared for pickup, with small items boxed, bagged, or tied.

For more details on collection dates, routes, and full guidelines, visit the city's website at ***cityofclarksburgwv.com*** or use the provided smart code. Should you have any questions, feel free to contact the Public Works Department. Let's work together to keep Clarksburg's neighborhoods clean this spring!
