meetings. The first business to receive recognition was Art By Crim, a business started in Clarksburg in 1991 by Jim and Katy Crim. They offer original art as well as custom framing and photography services, much of which adorns the walls of local businesses, hospitals, and government buildings. You can learn more about their business on their website: artbycrim.com

If you know of a business that should be recognized at a future council meeting, please email your suggestion to: phardman@cityofclarksburgwv.com
