CITY OF CLARKSBURG

Updates from City Manager, Tiffany Fell

Clarksburg's Farmers Market: An Asset To The Community:

The Clarksburg Farmer's Market continues to be one of our community's most vibrant and welcoming attractions, bringing together local farmers, artisans, small businesses, and residents in the heart of our city. More than just a place to shop, the market serves as a gathering space where neighbors connect, families spend time together, and visitors experience the charm and hospitality that make Clarksburg special.

Each market season offers a wide variety of fresh produce, baked goods, handcrafted items, flowers, jams, meats, and locally made products that support our regional economy and encourage healthy living. By

shopping locally, residents help strengthen small businesses and family farms while keeping dollars circulating within our community.

The Farmer's Market also provides live entertainment, seasonal events, and educational opportunities that create an enjoyable atmosphere for all ages.

Whether you are looking for fresh

ingredients, unique gifts, or simply a fun way to spend a morning downtown, the market offers something for everyone.

I encourage all residents and visitors to stop by the Clarksburg Farmer's Market this season. Supporting local vendors and community events helps ensure Clarksburg continues to grow as a vibrant, connected, and thriving city.

STAY CONNECTED
