CITY OF CLARKSBURG

Updates from City Manager, Tiffany Fell

The City of Clarksburg Needs Your Participation

Last month I shared how important it is to have active community participation in our municipal boards and commissions to maintain a vibrant and healthy democracy. The city has developed a new policy to encourage greater participation and vitality by making all vacant and expiring board and commission positions available for new applicants, this includes board seats where current members who are reapplying for re-appointment.

To encourage the greatest amount of citizen participation, we are now advertising all positions, both vacant and expiring. Members re-applying for a board seat will be considered along with any other applicants who apply over the application period.

We now have a list of vacant and expiring positions posted on the city website along with any specific requirements for those

positions and the application deadlines. Please apply as early as possible for any position you are interested in volunteering for.

You can access the updated listing at any time by clicking the Boards & Commissions Vacancies link on the home page or going directly to:

[cityofclarksburgwv.com/ boardvacancies](http://cityofclarksburgwv.com/boardvacancies)

Please consider submitting an application for a board or commission appointment and become an important part of Clarksburg's future.
