CITY OF CLARKSBURG

Updates from City Manager, Tiffany Fell

DO NOT BLOW LEAVES INTO THE STREET

As the leaves begin to fall and our city prepares for the winter months, we want to remind residents of the importance of proper leaf disposal to ensure our wastewater systems function efficiently and our community remains clean and beautiful.

Beginning in November, bagged leaves will be picked up by the city on yard waste collection days. Please bag or mulch your leaves to help prevent clogging our wastewater systems. Leaves and yard waste are considered an illicit discharge material when they enter the sewer system. When bagged and collected, these materials are decomposed and turned into natural compost soil that is available from the

city's Compost Center, benefiting the city's sewage systems and its residents.

An Opportunity to Safely Dispose of Unused Rx Drugs

The Clarksburg Police Department hosts the local DEA National Prescription Take Back Day on the last Saturday of the months of April and October. The Clarksburg Police Department encourages all Clarksburg residents to bring any expired, unused or unwanted medications to our designated collection sites for proper disposal. No questions asked.

Collection Date & Times
